

Example of Alpha-beta Pruning Algorithm

NOTE: this is also from Activity #12

<https://github.com/badriadhikari/AI-2020spring/blob/master/activities/README.md#12-alpha-beta-pruning-chapter-5>

Activity #12

Start $V = -\infty$ \triangle Max change test β

$V = \infty$ ∇ Min change test α

$$\alpha \geq \beta$$

du ngo
